Pop

Product code: AM-1901

Design: Pawlak & Stawarski

Pop as a collection refers to a popular type of music. It is friendly, uncomplicated in form and very universal. Comfortable soft chairs and armchairs from this collection will give the interior warmth and a sense of informal atmosphere. Pop easily changes character depending on the color configuration. The large upholstery surface, depending on the choice of fabric, will make it the main hero of the room or gently blend in with the context of space. The Pop collection is available in two versions – with or without armrests.
