chair

14

Product code: A-14

Chair number A-14 is the most known and widespread construction of a bent chair manufactured in Thoneth technology since 1859. An icon of democratic design, the most popular chair in the world, Le Corbusier's favorite piece of furniture. It consists of 6 wooden elements: 2 round, 2 straight and 2 arched. For this there are screws – 10, and nuts – 2. This in total creates an immortal 14.
