# 18

Product code: BST-18

All time bestseller

A timeless model used by a few generations already. Its rocking predecessor, in mass production from 1850, was Pablo Picasso's favourite. Since the 19th century, this simple and elegant piece of furniture has enriched the look and feel of living rooms, dining rooms and cafes all over the world. So far, 60 million of these chairs have been sold. For years valued for their quality and durability, which they owe to the production technology involving predominantly beech wood bending, the chairs feature a light, traditional form making them one of the top furniture classics.
