children's chair

nino

Product code: MDK-1710

Design: MOWO Studio

The Nino collection is a high chair, table, toy container, high chair for older children and a fence that allows you to separate a children's play area. Thanks to Nino, you can create an aesthetic space friendly to the child's development, supporting his creativity and expression.

The Nino wooden chair is ideally suited to the size of the child. It was designed with preschool children in mind. The characteristic plywood backrest with a small openwork gives a feeling of comfort and safety. The wide apart legs of the chair are stable and durable even with more dynamic play.

The table surface can be additionally protected with a protective coating Forbo Furniture Linoleum. Linoleum is a natural and hygienic material of the highest quality, obtained in accordance with the principles of sustainable development. It is characterized by a matt, pleasant to the touch surface, resistant to dirt and fingerprints.

Your favorite books, blocks or puzzles will find a place in a practical toy chest, this useful piece of furniture will contain a lot of toys in its compartments and will help you keep order.

Nino furniture is made with attention to detail, from natural materials friendly to the child and the environment. Nino will appeal to both children and parents. It's the perfect collection for homes and commercial spaces.
