Lava

Product code: A-1807

Design: STROOG Andrzej Lęckoś

The Lava collection is a reinterpretation of the classic form of a chair and upholstered armchair. Upholstered, slightly widening at the top of the chair backrest combined with natural wood armrest, thanks to which the collection envelops the sitting, providing high comfort. Wooden legs and flasks in combination with a fabric seat emphasize the texture difference and create the sensuality of the Lava collection. The multitude of colors and fabrics allow you to give this model any character: from minimalist to glamor.
