Fala

Product code: B-1906

Design: Oleg Pugachev

The Fala collection represents a modern look at the classic heritage of bent wood. In the Fala armchairs, the soft line of the backrest gently formed in an arc subtly wraps the sitting. The geometric transparency of the solid blends in perfectly with gently curved surfaces and lines. The typical shape of traditionally bent hind legs is a key, common feature for the whole family from the Fala collection. Fala chair is stackable.
