Likewise

Product code: STK-1908

Design: Torsten Neeland

The Likewise collection is a modern look at the classic heritage of bent wood. The wide angle of bending beech wood on long furniture forms is a unique element in modern bent furniture, because it constitutes the unique, increasingly unique heritage of nineteenth-century technology. The soft, enveloping form of the upholstered armchair from the Likewise collection encourages you to relax, and the dimensions and design have been selected so as to obtain the smallest possible size of the form. The Likewise collection is made up of a club armchair, a wide pouf, a pouf with a tray and a table.
