Tivoli

Product code: Bed 180

The Tivoli collection offers beds in three widths: 140, 160 and 180 cm. Both the bedside tables and the upholstered backrest create with the bed an integrated unity. Flexible upper lamps and backrest lighting with colour change function are important complementary elements. All beds have bedding containers and lift up bed frame with sprung slats under the mattress. Use of fabrics on the backrest and frame allows for unrestricted individualisation.
