## Senales

Product code: Display cabinet 01 P/L

The selected elements of furniture from the Senales collection are made of solid oak wood. Oak characteristic straight growth rings of various sizes, which are usually unevenly distributed, create a natural decoration of the furniture. The collection is additionally distinguished by a specific oak wood finish, as the wood is first brushed and then waxed. This laborious and toilsome treatment preserves furniture to stand the test of time and, at the same time, makes it pleasant to the touch.
