chair

Primo

Product code: AM-2502

Design: PAWLAK & STAWARSKI

The PRIMO chair draws inspiration from the aesthetics of the 1960s, subtly referencing classic forms and the familiar lightness of traditional school chairs. However, it has been completely redesigned with contemporary interiors and modern needs in mind.
Smooth lines, an elegant silhouette, and the combination of natural wood with a metal frame create a harmonious balance between lightness and stability. Thanks to this, PRIMO fits effortlessly into a variety of spaces — from dining rooms and kitchens to cafés and modern offices.
Universal. Timeless. Ready for more.
