chair

Lennox

Product code: A-1405

Design: STROOG Andrzej Lęckoś

Lennox is a carpentry, structurally strong, geometric form of a chair and armchair with recessed backrest. The charm of wood and its naturalness are emphasized by horizontal slats on the base. The collection looks best in natural colors that do not hide the color of the structure and features of wood. The Lennox collection is completed by a table.

	OPTION A: VENEER SEAT	**OPTION B:** UPHOLSTERY
POSITION	VALUE OPTION A	VALUE OPTION B
Wood (type)	beech/oak	beech/oak
Total height (mm)	850	850
Total depth (mm)	540	540
